### **CAMPUS GREEKS WIN REGIONAL AWARDS**

#### **MISSOULA-**

Outstanding grades and a well-designed Web site earned The University of Montana Greek community two awards at the Western Regional Greek Conference on April 9.

Fraternities and sororities from all western states attended the conference, which was held in Santa Clara, Calif. Awards were presented separately to schools with fewer than 10 chapters and those with 10 or more; UM competed in the latter category.

UM's Interfraternity Council, the fraternity governing body, received a Scholarship Award for maintaining the highest grade-point average in the region. They earned a 2.81 in spring 1999 and a 2.80 in fall 1999.

The Greeks also collected a Media Award for best Web site, which is located at <http://www.umt.edu/greek>.

"We've had the current version of the Greek Web site up for almost a year," said Mike Esposito, Greek adviser and the site designer. "It is gratifying to know that someone has seen it and appreciates the hard work it took to create."
